- Your safety is of paramount importance. Please ensure that you follow all safety instructions and training procedures when participating in events.
- Children aged 15 years and under must take part alongside a paying adult and be accompanied throughout the event. School and youth groups who take part must have adequate supervision.
- Upon running through the Bubble Stations, all children must be accompanied by an adult who will be responsible for their safety at this point. Small children may need to be lifted through some parts of the bubble stations, and we recommend they wear swimming goggles/sun glasses to protect their eyes.
- The route is pushchair and wheelchair friendly, but if you have any concerns please contact the Demelza Events Team on bubblerush@demelza.org.uk
- On no account is alcohol to be brought into the event site or consumed during the event. Demelza reserve the right to refuse entry to anyone under the influence of alcohol.
- No dogs are allowed to participate in the Bubble Rush. This is in the best interest of your family pet and all those participating. The bubbles can affect dogs eyes as they have a different ph. level.
- Bubble Rush involves a level of sustained physical activity. Participants make the decision to take part and must be satisfied that this activity is suitable for them as individuals. Neither Demelza nor its affiliates can be held accountable for aggravation to illness or injury sustained due to participation in this activity.

About the Foam

I understand:

- The foam mixture is completely natural and safe. It is advisable that younger children wear swimming goggles or sunglasses, as they may be head deep at most bubble stations.
- To be careful when wiping your eyes with my hands if they have frothy suds all over them too. Marshalls will have towels to help with this.
- The coloured foam is made from food dye and is water soluble as well as environmentally friendly. There is a chance that this foam may stain some lighter coloured push chairs and clothes. It is advisable to bring towels to sit on in the car on your journey home – to avoid any possible stains.
- The bubble commandos at each station are professionally trained and will not shoot foam directly at faces.

What Should I wear?

- I have been advised to wear appropriate footwear to this event to ensure my safety when participating.

I understand that:

- Due to the nature of the dyes used in the bubbles these may stain clothing. It is my responsibility to come suitably dressed for the event. The event organisers take no responsibility for colour stains on any shoes or clothing.
- In order to protect my eyes while running through the foam stations I have been advised to wear protective sunglasses or goggles.
- Participants can take part with a pushchair however I am aware that the route takes place on uneven ground and that the foam could stain the fabric, in some areas it is advised to carry children through the foam.
- It is advised to bring a change of clothes and shoes, as well as a towel and that there are no changing facilities provided at the venue.
